ABOUT ME

I am Iva, the founder of Martenitsa Spirit. I started this handmade shop as a way to share a beautiful Bulgarian tradition with the world: Martenitsa. All our pieces are crocheted by hand by me in Scarsdale, U.S. Every bracelet, brooch, or charm is made with love, meaning, and a touch of history. When you shop Martenitsa Spirit, you are not just supporting handmade—you are helping keep a centuries-old tradition alive.
